## Phase 1 - BASICS

We need to (re)establish solid foundations before rebuilding an even more solid construction.

This is confirming **WHO** you are without psycho mumbo-jumbo and identifies **WHO** you truly want to serve.

We can then confirm your **WHY** with a Vision, Mission and Manifesto.

The ground is now ready for a NEW Offer, **your WHAT** - for your REDEFINED Audience.

## Phase 2 - BUILD

We will define your **PLANS** to have a complete overview of what needs to be done, when and by whom.

It is now time to **CREATE** your Offer based on your earlier research near your identified Audience.

This **FIRST LAUNCH** is the opportunity to confirm your OFFER with your AUDIENCE and listen to how they react so you can improve it quickly and rapidly gain even more traction.

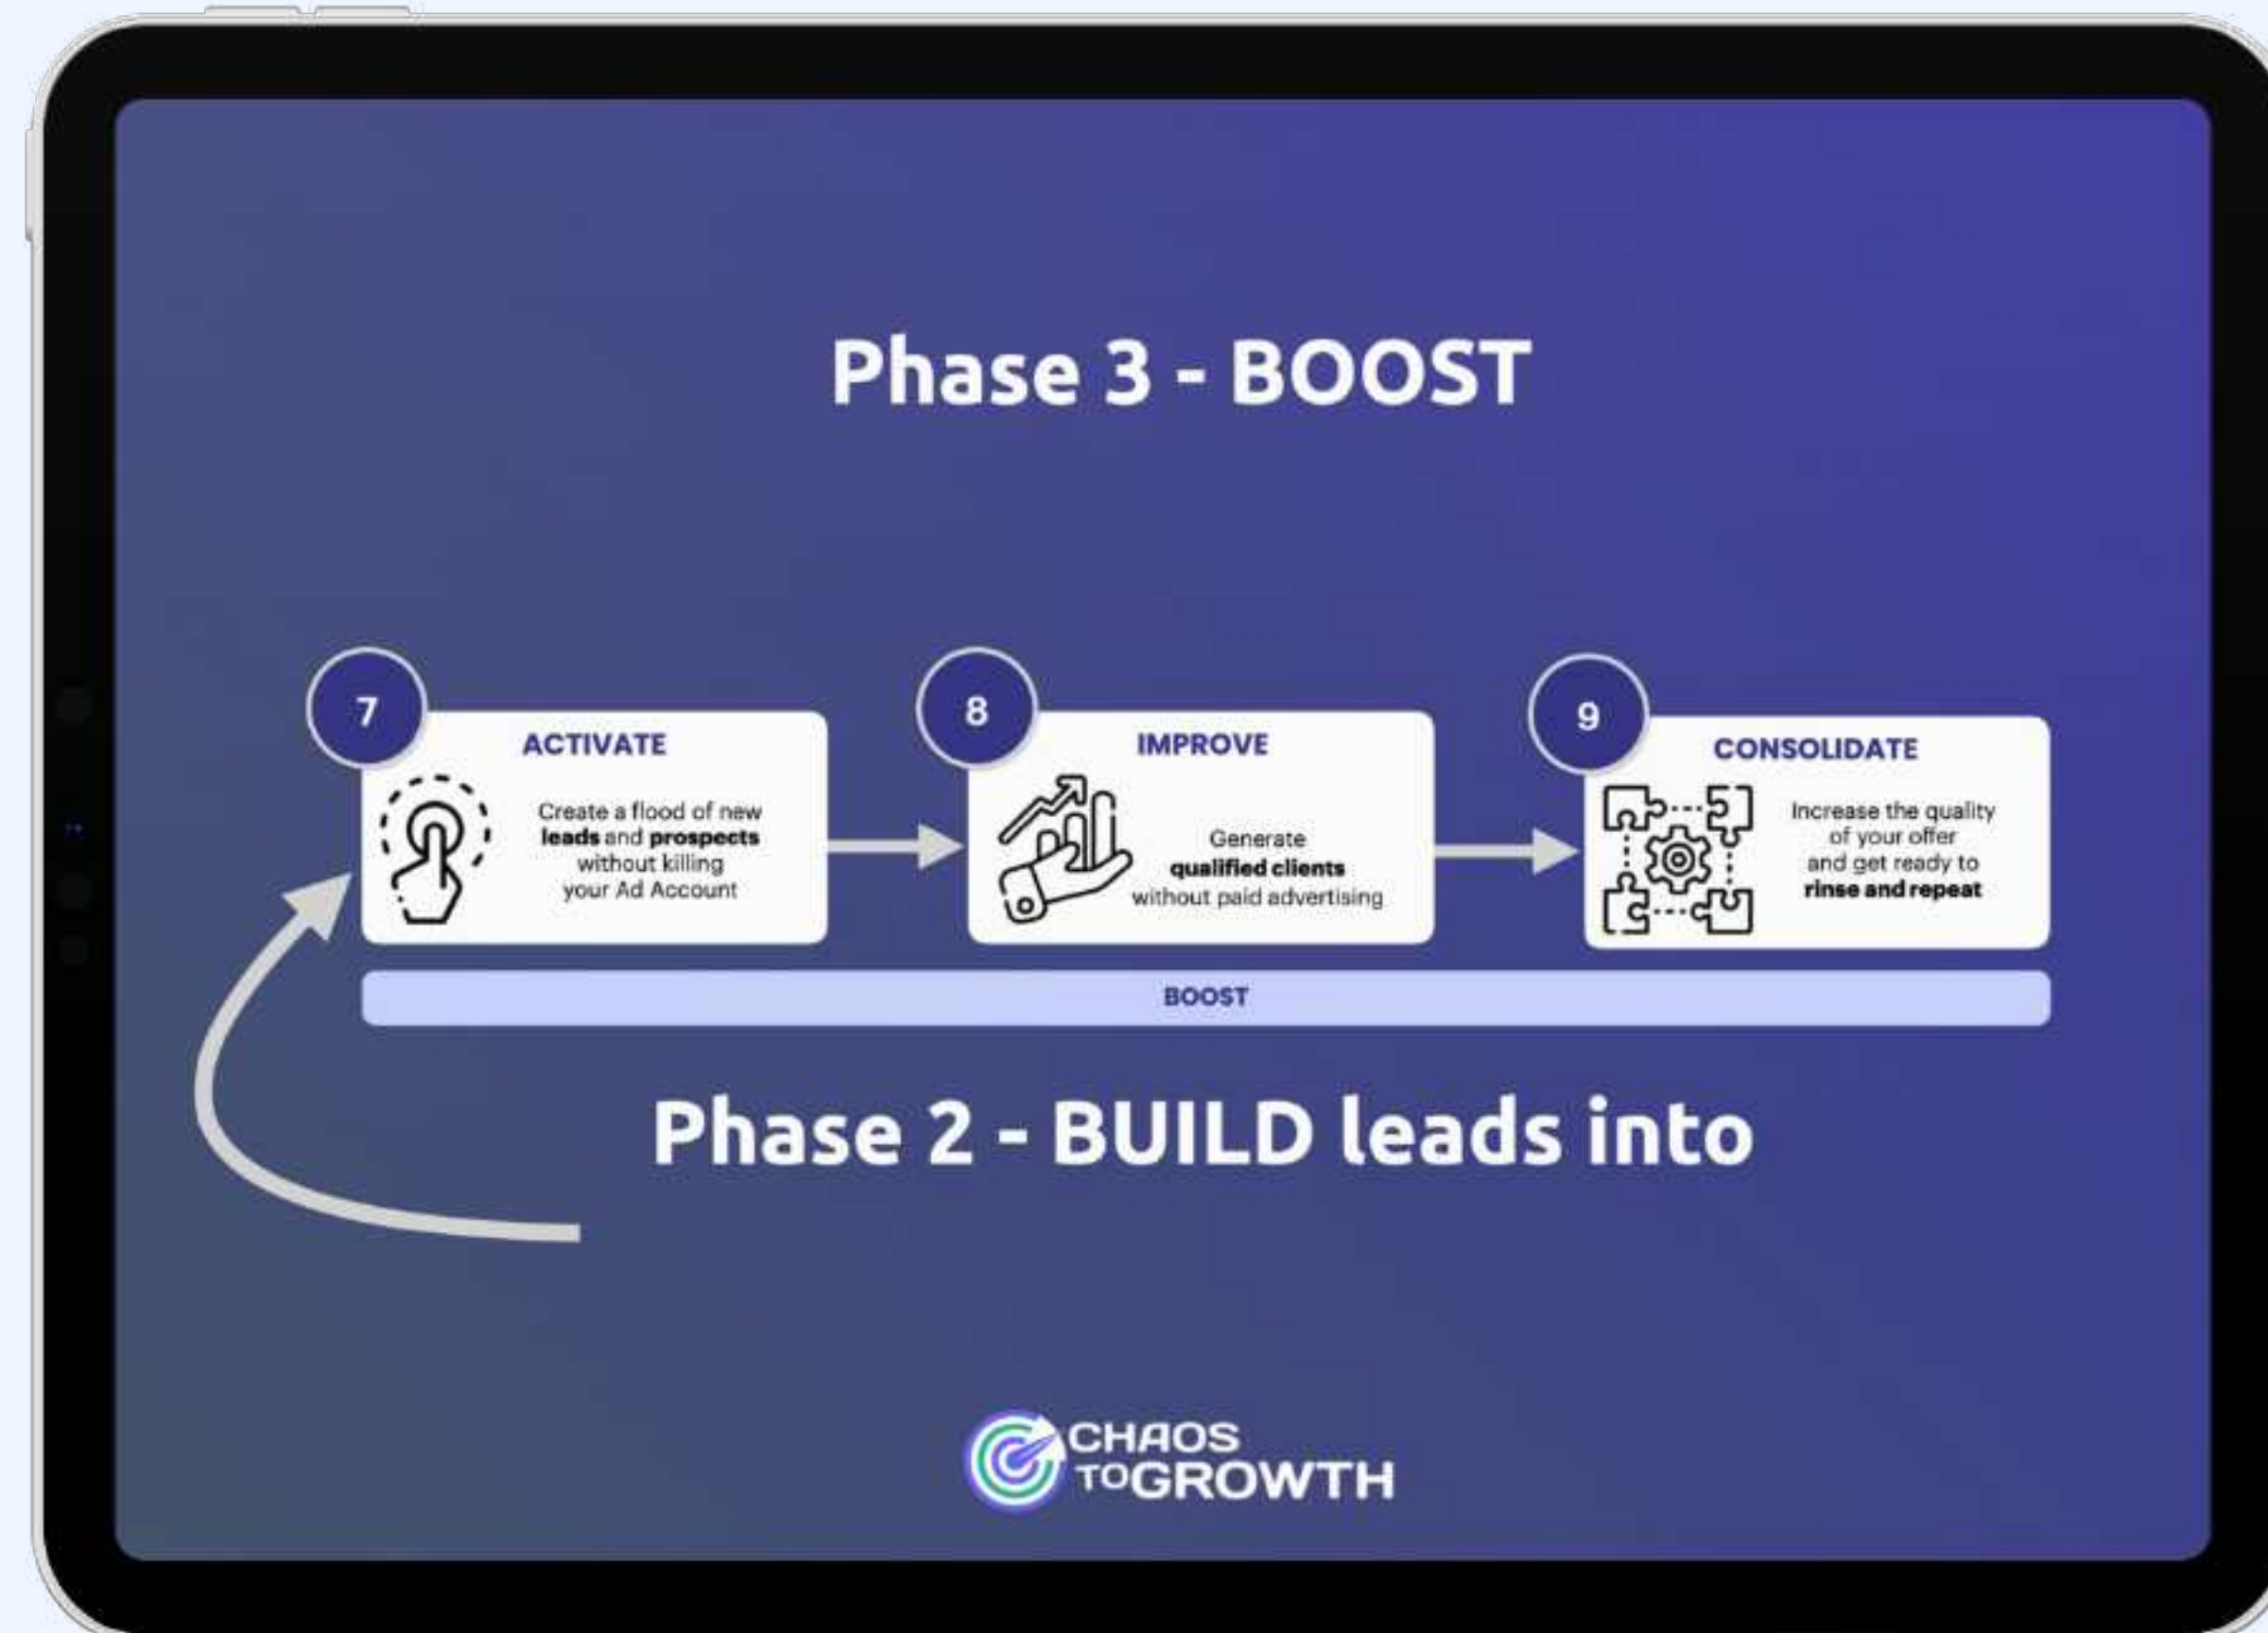

## Phase 3 - BOOST

You are starting to **EARN MONEY** from your first sales which enable you to quickly improve your offer.

You now know where to increase your marketing efforts to reduce as much waste as possible and **ReLAUNCH** your offer with laser precision.

Your systems are improving by the day and you can now look at considering your **NEXT OFFER** either to your existing audience or to a new one.
